WORK BETTER

ENTREPRENEURSHIP

Spot opportunities and make ideas happen

ABOUT THE COURSE

The future is uncertain right now. Adopting an 'entrepreneurial' mindset can help businesses adapt. Entrepreneurs anticipate and create the future. They explore and experiment with new ideas, adapting quickly to evidence, and pivoting into new areas when needed.

In more established businesses, it can be challenging to foster an entrepreneurial spirit and work in a way that is more dynamic and agile. Yet, it has never been more important to do so.
